White Screen Tens

Motorised screens

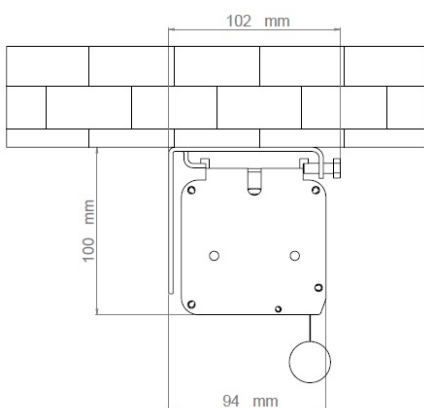

High quality motorised screens, suitable for home cinema and professional purpose. The main features are the essential, clean and linear design, the high standard construction level, the quality of the raw materials all "made in Italy". The tab tensioning system ensures the perfect planarity of the projection surface, even after many years. Aluminum case painted matt white colour, as the sturdy iron lateral caps and wall/ceiling mounting brackets. White Screen can be produced with a wide range of surfaces, with and without black borders. The electric wall switch is standard supplied, while the radio remote control is available on request.
