Motorized screens

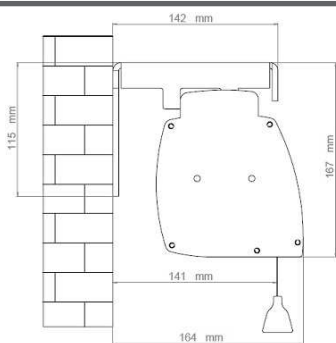

Professional electric screens characterized by extremely high construction quality and carefully selected, premium materials.

They are suitable for medium to large environments designed for a large audience, where quality projections are essential, such as in university lecture halls, conference rooms, small cinemas, theaters, and multi-purpose venues.

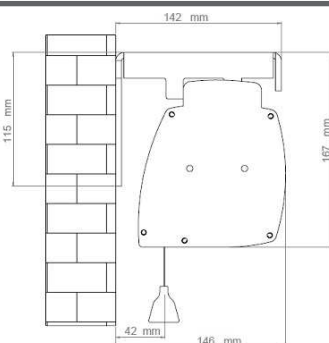

They are made with an aluminum casing with a pleasant rounded shape, within which the counterweight bar, also aluminum, fully integrates when the screen is retracted. The side end caps are made of robust steel, and the brackets can be positioned along the entire length of the casing, usable for both wall and ceiling mounting independently. The casing and all visible parts are in matte white to prevent light reflections from the video projector. They are packed in a sturdy 3-layer cardboard box.

- Available Formats: 1:1, 4:3, 16:9, 16:10, custom;
- Available Screen Surfaces: White, Hi-Gain White, Contrast Grey, Sonora, Rear Pro;
- Supplied with or without black side borders, with or without side tensioning;
- Standard front fabric drop (rear drop available upon request at no extra charge);
- Motor on the left side of the casing (right side available upon request at no extra charge);
- Somfy 230V - 50Hz electric motor, power consumption 90-120 W 0.40-0.50A, IP44 protection rating, 17 rpm;
- Standard supply includes: wall and ceiling mounting brackets, pre-set upper and lower limit switches, wall-mounted electric switch, installation, use, and maintenance manual;
- Optional accessories available upon request: radio remote control, complete 12V trigger kit + radio remote control;
- CE certified screen, 2-year warranty (5 on the motor).

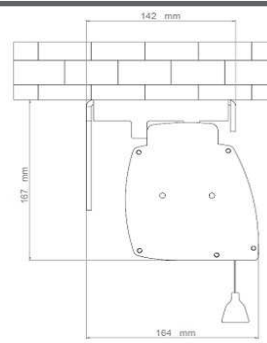

Installation dimensions for wall and ceiling mounting for screens with base 3,5 and 4mt (for 1:1 ratio only 3,5 mt base)

Wall mounting—front unrolling

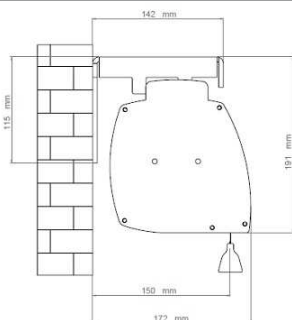

Wall mounting—back unrolling

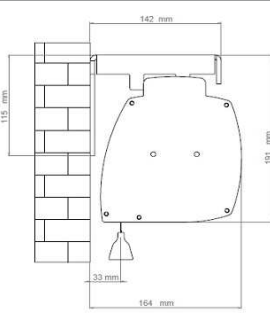

Ceiling mounting

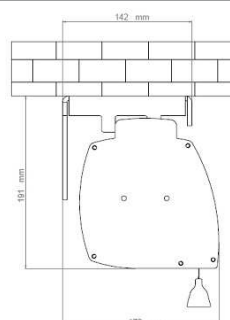

Installation dimensions for wall and ceiling mounting for screens with base 4,5 and 5mt (and 4 mt base in 1:1 ratio)
