WhiteScreen Tens

Motorised screens

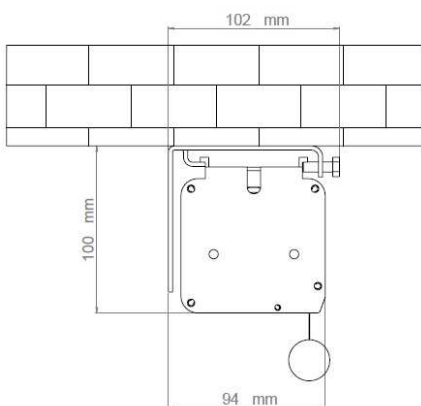

High quality motorised screens, suitable for home cinema and professional purpose. The main features are the essential, clean and linear design, the high standard construction level, the quality of the raw materials all "made in Italy". The tab tensioning system ensures the perfect planarity of the projection surface, even after many years. Aluminum case painted matt white colour, as the sturdy iron lateral caps and wall/ceiling mounting brackets. WhiteScreen Tens can be produced with a wide range of surfaces, with and without black borders. The electric wall switch is standard supplied, while a wide range of automations is available on request.

Wall mounting

Ceiling mounting

- Available projection surfaces: White, Hi-gain White, Contrast Grey, Micro Sonora; ratios 4:3, 16:9 and 16:10, with and without black borders.
- Lateral tab tensioning system
- Standard front unrolling of the projection surface (on request with back unrolling).
- Aluminum case painted matt white colour, mm. 85x93.
- Electric single-phase motor Somfy, CE, IMQ, 5 years warranty, 230V-50Hz, 90W, 0,40A, protection IP44, 17 rpm, standard mounted on the left side of the case.
- Limit switches factory adjusted, possibility to change the settings if necessary. The screen can be stopped at intermediate positions with the electric switch.
- Iron wall and ceiling brackets colour matt white, with free positioning all along the case width.
- Matt white iron lateral caps.
- Aluminum rounded lower bar.
- Wall electric switch included in the standard supply.
- Optional accessories available upon request: radio remote control with external or built-in receiver, complete kit 12V + radio remote control, multichannel remote control + receivers, Somfy Sonesse quiet motor.
- Screen CE certified, 24 months warranty from the purchase date, at the conditions indicated in the instruction booklet.
- Packed in strong double cardboard box.
