Tensioned

Motorised screens

Tensioned motorised screens with a neutral and linear design to suit perfectly to any environment, both domestic and working. Aluminum painted matt white, iron lateral caps covered with special carters. The tab tensioning system ensures the perfect planarity of the projection surface, even after many years. Tensioned screens can be produced with a wide choice of surfaces, with and without black borders. The electric wall switch in standard supplied, the radio remote control is available on request.

- Available projection surfaces: White, Hi-gain White, Contrast Grey, Micro Sonora, Radiance and Rear Pro, ratios 4:3, 16:9 and 16:10, with and without black borders.
- Lateral tab tensioning system.
- Standard front unrolling of the projection surface.
- Aluminum case available in matt white or matt black colour.
- Electric single-phase motor Somfy, CE, IMQ, 5 years warranty, 230V-50Hz, 90W, 0,40A, protection IP44, 17 rpm.
- Limit switches factory adjusted, possibility to change the settings if necessary. The screen can be stopped at intermediate positions with the electric switch.
- Wall and ceiling brackets with safety lock.
- Iron lateral caps with white closing carters.
- Wall electric switch included in the standard supply.
- Totally closed box by the ergonomic counterweight
- Radio remote control available on request, with external or built-in receiver.
- Screen CE certified, 24 months warranty from the purchase date, at the conditions indicated in the instruction booklet .
- Packed in strong double cardboard box.
- Overall case encumbrance: screen width + cm. 27
